

Checklist of Income Qualification Documents for IRA Home Energy Rebates

Here's a checklist of the documents you can submit to verify your household income. Preparing these documents ahead of time and having them ready to upload to our secure platform will save you time and speed up the verification process.

DO YOU PARTICIPATE IN A RECOGNIZED STATE OR FEDERAL PROGRAM LISTED IN [PATH A](#)?

- Yes (Path A)** ➡ Upload your enrollment documents for the program you participated in.
- ➡ If you do not have your enrollment documents, you can skip the upload documents step. Please note, this will result in a public assistance enrollment lookup through a third party, which may take additional processing time. If the program is unable to verify proof of enrollment, additional steps will be required to obtain approval.
- No (Path B)** ➡ Upload your income documents (**listed in the Income Documentation section**). If you have multiple streams of income, you will need to provide documentation for each one. Please provide income documentation for ALL members of your household.
- ➡ **Please provide income documentation for your annual income (Path B1) OR your monthly income (Path B2). Do not provide documentation for both. Black out all versions of Social Security numbers on forms prior to uploading.**

PATH A: STREAMLINED ELIGIBILITY

If you have indicated that you participate in one of the programs listed below, you must provide your award letter that clearly shows the household member's name and address, the recognized federal program, and the date of enrollment or enrollment expiration date. If an award letter is not provided, the program will attempt to verify enrollment in your selected program via Wisconsin public assistance database(s). If enrollment cannot be confirmed, other recognized state and federal programs may be searched to verify your income. If your income cannot be confirmed this way, you must provide proof of participation.

*80% Area Median Income (AMI) is greater than 200% Federal Poverty Level (FPL) for one- to five-person households in each of Wisconsin's 72 counties. In households of 6+ members, 80% AMI is less than 200% FPL. Therefore, the state will allow categorical eligibility for WAP only for households with one to five members.

**Per the State of Wisconsin's published WIC Income Eligibility Table, 80% AMI is greater than 185% FPL for all household sizes in every county in Wisconsin except the following: Ashland, Barron, Bayfield, Buffalo, Burnett, Clark, Crawford, Florence, Forest, Grant, Green Lake, Iron, Jackson, Juneau, Lafayette, Langlade, Marinette, Marquette, Menominee, Oconto, Polk, Price, Richland, Rusk, Sawyer, Shawano, Taylor, Vernon, Vilas, Washburn, Wood, Manitowoc, Oneida, Monroe, Pepin, Dodge, Lincoln, Rock, Trempealeau, Waupaca, Dunn, Sauk, Door. Households that are not categorically eligible may still apply for higher rebate amounts through the income verification method. One- to eight-member households that are under 80% AMI are categorically eligible in the following counties: Fond du Lac, Sheboygan, Winnebago, Douglas, Chippewa, Eau Claire, Racine, Portage, Marathon, Walworth, Jefferson, La Crosse, Green, Kenosha, Brown, Kewaunee, Iowa, Columbia, Milwaukee, Ozaukee, Washington, Waukesha, Calumet, Outagamie, Dane, Pierce, Saint Croix.

If you have already provided the award letter for a recognized state or federal program in Path A above, then you may skip this section and proceed with your application.
